Data Access

Usage Rights: *Some derived products are freely available below. For all other inquiries please contact the dataset curator directly for access to datasets. We ask that you contact the data set owner(s) prior to using this information for any purpose. We make this request to minimize possibilities for misinterpretation of data and to reduce redundancy since we may be currently working on projects that involve this information. Also, we would like to be informed of and involved in projects developed using this information. Extensive efforts are made to ensure that online data are accurate and up to date, but the authors do not take responsibility for errors that may exist in online data. Furthermore, the user assumes all responsibility for errors in analysis or judgment resulting from use of the data.*
